[^0]:    (2) Wages for some occupations that do not generally work year-round, full time, are reported either as hourly wages or annual salaries depending on how they are typically paid. N/A Short-term projected growth rates and current job orders are based on 2000 Standard Occuaptional Classification (SOC) codes while median wages are based on updated 2010 codes. Where 2000 and 2010 SOC codes did not match up, projected growth and job order data used to for ranking occupations are not shown.
